

D-21342

AMENDMENTS TO THE SPECIFICATION

Please insert the following language following the paragraph at page 10, lines 7-9:

Figure 11 illustrates replication of components in a vessel.

Please amend the two paragraphs beginning at page 13, line 7 as follows:

To illustrate the variables of  $D$ ,  $d$  and  $x$  for the distributor components and the size of the vessel, the following replication of the components in a vessel is illustrated as follows: shown in Figure 11.

~~In the above illustration~~ As shown in Figure 11,  $D$  is the vessel diameter,  $d$  is the span of the semi-spherical plenum cap, and  $x$  is the span of the flow extender.
